

Prayer for Finance Manager

Dear Lord Jesus,

You have called finance managers to manage the finances of Christian ministries.

May you grow in your finance managers

- the analytical skills of Mordecai, who was astute in assessing the situation and knew what must be done;
 - the resourcefulness of Gideon, who found a way to magnify the effects of a small force and make it appear much larger;
 - the prudence of Moses' mother, who weighed the risks and protected her son; and
 - the leadership skill of Joseph, a capable administrator and a highly effective leader.
- May your Spirit guide your finance managers in
- the management of the ministry's financial resources, and
 - supporting the leadership team.

I pray that you would bless your finance managers with

- a sufficient and reliable flow of funds;
- a rewarding sense of connection to the frontline ministry;
- a life rich in the experience of Christian spirituality and enjoyment of your presence;
- and
- the fullness of your shalom, that their lives may be all that you meant life to be.

In your beautiful and powerful name, Amen.
